

Coldwell Banker's Exclusive Websites

ColdwellBankerHomes.com

ColdwellBankerHomes.com features all homes for sale throughout California and the country, giving your home massive exposure to buyers locally and across the nation. Whether buyers are searching from their mobile or tablet device, or computer, they will enjoy all the site has to offer—including homepage featured properties and localized content.

ColdwellBanker.com

With more than 40 million visitors each year, this national website connects buyers, sellers and Independent Sales Associates like never before, making the home buying and selling process human again.

ColdwellBankerPreviews.com

ColdwellBankerPreviews.com features more than 10,000 luxury property listings—an exceptional home inventory that attracts visitors from over 200 countries led by Canada, France, Brazil, Russia, Spain and the United Kingdom.
